Re: Letter in Opposition to AB 352

Dear Chair and Members of the Assembly Health Committee,

On behalf of the Right to Life League, we urge you to reject **AB 352**, a bill that shields abortionists and human and child traffickers by further complicating law enforcements' requests for information.

AB 352 will amend the California Civil Code as follows:

(c) Notwithstanding subdivisions (b) and (c) of Section 56.10 or subdivision (c) of Section 56.20, a provider of health care, health care service plan, contractor, or employer shall not cooperate with any inquiry or investigation by, or provide medical information to, any individual, agency, or department from another state or, to the extent permitted by federal law, to a federal law enforcement agency that would identify an individual and that is related to an individual seeking or obtaining an abortion or abortion-related services that are lawful under the laws of this state, unless the request for medical information is authorized under Section 56.110.

Its passage will frustrate enforcement of foreign laws against abortionists, abusers and human traffickers who may flee to California to escape prosecution in other states, thereby denying justice to their victims. Please reject AB 352.

Very Truly Yours,

Susan S. Arnall, Esq.
